NATIONAL SERVICE SCHEME

List of Activities

The institution instills a spirit of social service in students through active participation in various National Service Scheme (NSS) activities. Since its establishment in January 2004 with 50 volunteers, the program has expanded to include 200 volunteers across four units. Over the years, a diverse range of initiatives, with a special focus on uplifting nearby villages, has been undertaken. Additionally, these community service endeavors contribute to the holistic development of volunteers, enhancing their personality and fostering a sense of civic duty.

The following list shows the abstract of list of events done by NSS in recent academic years.
