

PANIMALAR ENGINEERING COLLEGE

An Autonomous Institution

[JAISAKTHI EDUCATIONAL TRUST]

Approved by AICTE | Affiliated to Anna University | Recognized by UGC

All Eligible UG Programs are Accredited by NBA

Bangalore Trunk Road, Varadharajapuram, Poonamallee, Chennai- 600 123

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

LIST OF EVENTS CONDUCTED BY THE DATASCIENCE CLUB

ACADEMIC YEAR 2024-25

S.NO	EVENT DATE	EVENT NAME	EVENT DESCRIPTION	SDG	JUSTIFICATION
1.	20/08/2024	Unlocking Creativity with Generative AI	A workshop on leveraging generative AI for data science tasks such as data visualization, synthetic data generation, automated insights, and intelligent content creation.	SDG 4	Enhances learning of advanced data science tools and AI techniques.
				SDG 8	Develops future-ready skills in AI-driven data science careers.
				SDG 9	Promotes cutting-edge innovation using generative AI in data-driven applications.
2.	20/08/2024	NextGen AI Project Expo	An exhibition of student-developed AI and data science projects showcasing applications such as machine learning models, data analytics solutions, intelligent systems, and real-world problem-solving using data-driven approaches.	SDG 4	Promotes quality education through experiential learning in AI and data science domains.
				SDG 8	Enhances employability and industry readiness by exposing students to practical AI and data science applications.
				SDG 9	Encourages innovation and technological advancement through development of data-driven AI solutions.
3.	22/02/2025	CODE BONANZA	A coding competition aimed at enhancing students' problem-solving and programming skills through challenges and real-time coding tasks.	SDG 4	Promotes quality education by improving technical and analytical skills among students.
				SDG 8	Encourages decent work and economic growth by preparing

					students for industry-level coding skills and employability.
				SDG 9	Supports industry, innovation, and infrastructure by fostering innovation and computational thinking.
4.	22/02/2025	Visionary Insight	A project competition where students present innovative technical ideas and real-time solutions based on emerging technologies such as AI, Data Science.	SDG 4	Encourages quality education by promoting experiential and project-based learning.
				SDG 8	Enhances employability and entrepreneurial thinking, supporting decent work and economic growth.
				SDG 9	Promotes innovation and technological development through student-driven project ideas and prototypes.
