

DATA SCIENCE CLUB

The significance of the emerging importance of data sciences is unexplainable. Data science Club established on 18.03.2021 together with the collaboration of Imarticus Learning, have seeped into every field of technical endeavor for the remarkable growth among the students.

VISION

The vision is to significantly expand the capacity of the students to implement data science techniques, learn computational tools, advanced programming and develop college-industry collaborations.

MISSION

The mission of the data science club is to enable high quality data science education, enhance employability, and industrial exposure.

Faculty Co-ordinator :Prof. J. ANITHA

Student Co-ordinator	CHAIR	B.L.PRITIKA	III Year
	VICE-CHAIR	M.KUMARAN	III Year
	SECRETARY	J.ANTONY AMALA TRINITA	II Year

MOU signed with Data Science Club

The Data Science club has Signed MoU with the Imarticus Learning, Chennai. Imarticus Learning vision is to prepare the global community with the best educational programs for the new-age market.

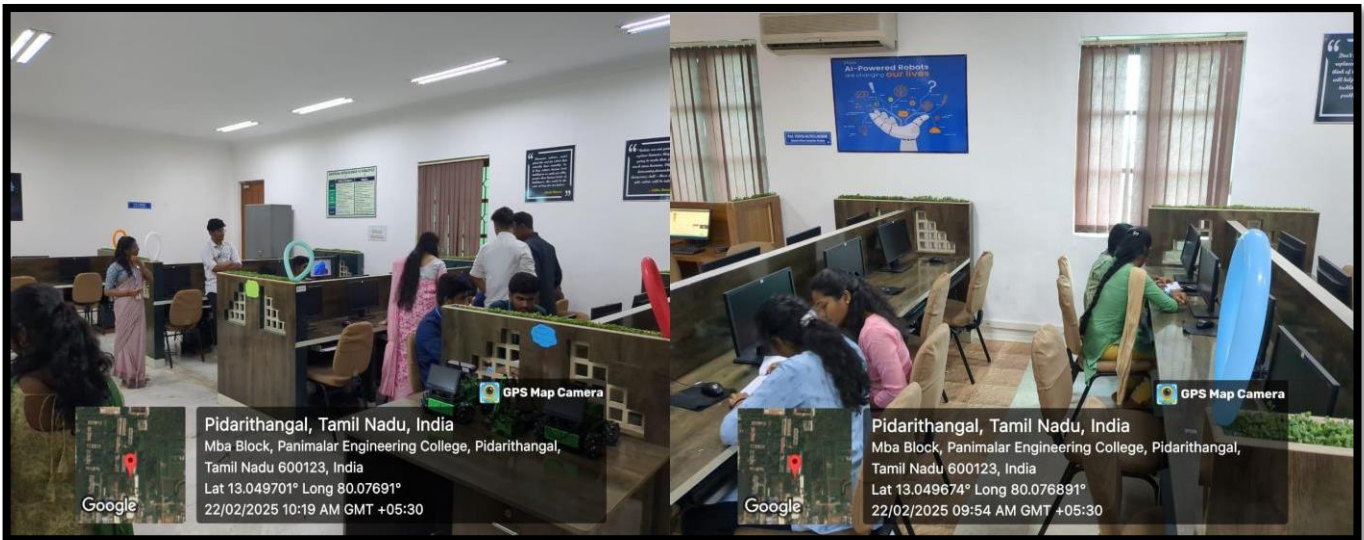

MOU Sign between Imarticus Learning, Chennai & Artificial Intelligence & Data Science Department to initiate the Data Science Club among students

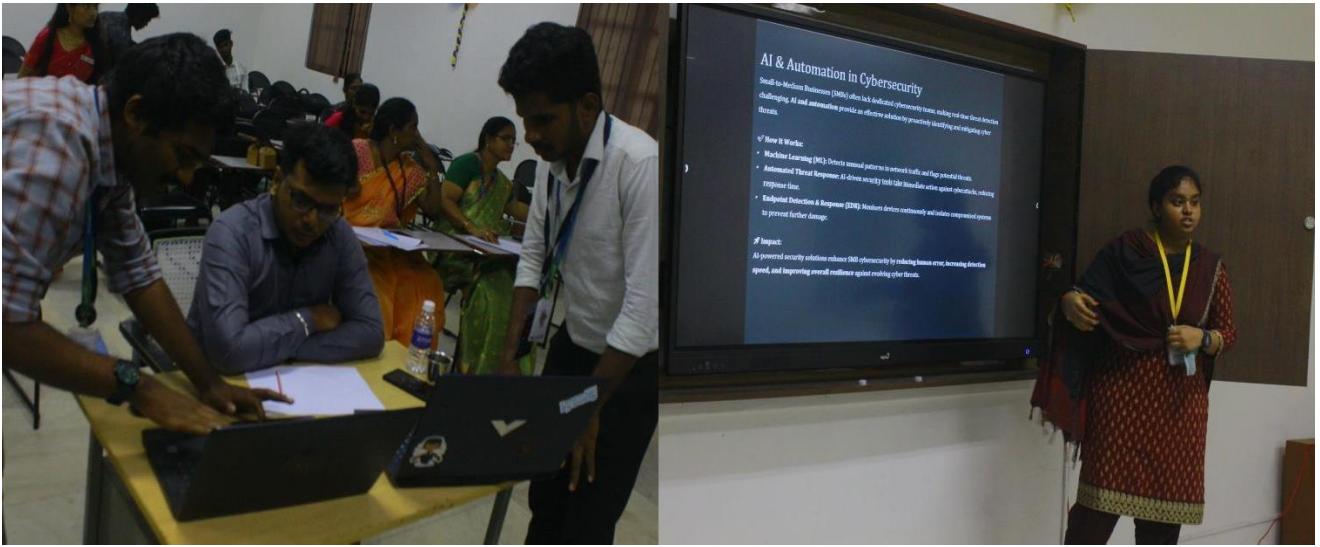

Data Science Club Activities

S.No	Activities	Topics	Date	Resource Person	Target Students
1.	Coding Competition	CODE BONANZA	22.02.2025	MS. SANGEETHA JOTHIRAMAN Project Manager CTS	20
2.	Project Competition	Visionary Insight	22.02.2025	MR. JAGDEESH GOPAL TECHNICAL Program Manager	24 Teams
3.	Guest Lecture	Unlocking Creativity with Generative AI	20.08.2024	Mr.R.RANGANANTHAN Growth Director GenAI Presales and growth enablement-Latent	55
4.	Project Expo	NextGen AI Project Expo	20.08.2024	Mr.R.RANGANANTHAN Growth Director GenAI Presales and growth enablement-Latent	31
5.	Coding activity	Data Visualization	26.07.2023	Mrs.S.Srinidhi, Assistant Professor , Department of AI & DS	60
6.	Seminar	Data Visualization and exploration	24.07.2023	Sowmya Surapaneni, Haritha M [U.G Scholars]	60
7.	Technical talk	Orientation programme	18.03.2022	Mrs.A.Rama Devi, Developer Lead, Global Soft Technologies	40
8.	Guest Lecture	Data Mining Techniques	28.03.2022	Dr.K.Sridevi, Professor, Veltech Hightech Engg College	50

9.	One Day Workshop	Learning, Modeling and Interference with data	04.04.2022	Dr.K.Mercy, Professor, Rajalakshmi Engineering college	60
10.	Seminar	Data science process and principles	19.05.2022	Mrs.S.Priya, Associate Professor, Hindustan University	50
11.	Guest Lecture	Visualization, summarization and analytics	11.05.2022	Dr.M.Leela Devi, Professor, Sri Sairam Engineering College	60
12.	One Day Workshop	Acquisition, storage and retrieval for large-scale data science	23.05.2021	Mrs.Janaki, Associate Professor, Saveetha Engineering College	60

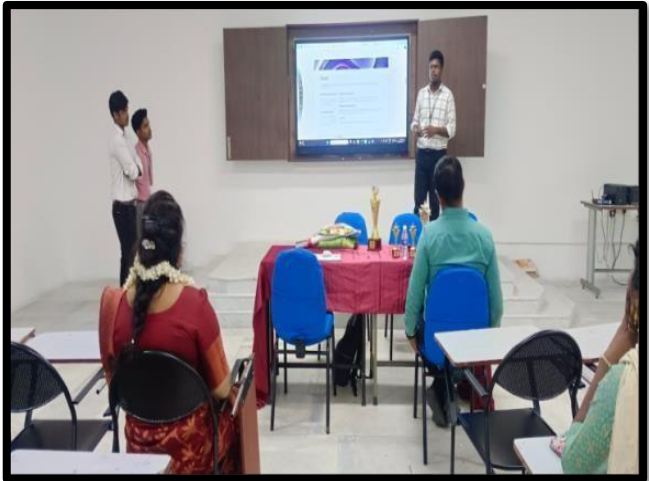

Coding Competition “Code Bonanza” on 22.02.2025 Conducted with the Presence of Chief Guest Ms. Sangeetha Jothiraman, Project Manager, CTS

Project Competition “VISIONARY INSIGHTS” on 22.02.2025 Conducted with the Presence of Chief Guest, Mr. Jagdeesh Gopal, Technical Program Manager

Guest Lecture on **Unlocking Creativity with Generative AI by Mr. R RANGANATHAN Growth Director GenAI Presales and growth Enablement, 2024**

Project Expo on **Next Gen AI Project Expo by Mr. R RANGANATHAN Growth Director GenAI Presales and growth Enablement, 2024**

**Orientation program on 18.3.22, by A Rama Devi ,
Global Soft Technologies**

**Guest Lecturer on Data Mining Technologies on 28.3.22
by Dr K Dr.K.Sridevi, Veltech Hightech Engg College**

**Workshop on Learning, Modelling and Interference
with data on 4.4.22 by Dr.K.Mercy, Professor,
Rajalakshmi Engineering college**

**Seminar on Data Science Process and Principles by
Mrs S Priya, Hindustan University**

**Guest Lecturer on Visualization, Summarization and
analytics on 11.5.22 by Dr Leela , Sri Sai Ram College
Rajalakshmi Engineering college**

**Workshop on Acquisition, storage and retrieval for
large-scale data science on 23.5.21 by Mrs Janaki,
Saveetha Engg College**
