STUDENT TRAINING, CLUB & CERTIFICATION COMMITTEE

POLICY

The Student Training, Club & Certification Committee is established in the department to enhance students' technical, professional, and personal development through structured training programs, active club participation, and recognized certification courses. The committee ensures equal opportunities, transparency, and quality standards in all activities conducted for student growth.

OBJECTIVES

- Enhance students' technical and soft skills.
- Provide industry-relevant training programs.
- Encourage active participation in technical and non-technical clubs.
- Promote industry-recognized certification courses.
- Improve employability and placement readiness.
- Develop leadership, teamwork, and communication skills.
