**MESSAGE**

It gives me immense pleasure in reaching out to you through this edition of our Alumni Newsletter. Each of you has been an integral part of our institution's journey, and your accomplishments across various fields continue to bring pride and inspiration to our campus. At Panimalar, the management have always believed that our alumni are the pillars of our institution's strength and legacy. Your success stories not only reflect the excellence of our academic foundation but also reinforce our mission to nurture competent, compassionate, and responsible professionals.

Through this newsletter, we hope to keep the bond between the college and its alumni ever strong—sharing updates, achievements, and opportunities to collaborate for mutual growth. I encourage you to stay connected, guide your juniors, and continue contributing to the vibrant Panimalar community. Let us together uphold the values of discipline, dedication, and excellence that define Panimalar Engineering College.

**Dr. C. SAKTHI KUMAR**

**DIRECTOR**

**MESSAGE**

Our alumni represent the pride and legacy of this institution - each one a reflection of the values and vision instilled by our management. Over the years, the management has not only guided students toward academic and professional excellence but has also ensured that the relationship with our alumni remains strong and meaningful.

It is heartening to see how this continued support has empowered our alumni to excel in diverse fields while staying connected to their roots. The management's foresight in encouraging alumni engagement has strengthened our networks, enabling knowledge sharing, mentorship, and collaboration across generations.

On behalf of the institution, I take this opportunity to appreciate the energetic alumni community for constantly inspiring both current students and graduates to uphold the spirit of our college wherever they go.

#### **MESSAGE**

It is a great privilege to reconnect with our cherished alumni through this edition of the newsletter. Each of you continue to be an integral part of the Panimalar family, and your achievements across the globe bring great pride and joy to our institution. At Panimalar, we have always believed that education extends beyond the classroom. It is heartening to see how our alumni continue to embody these ideals in their careers and communities. The institution continues to embrace innovation in teaching, research, and technology. Our students are excelling in academics, placements, and extracurricular pursuits – inspired by the legacy that you, our alumni, have created. I encourage each one of you to remain connected with your alma mater, share your experiences, mentor our current students, and be part of our collective journey toward excellence. Your continued involvement and support strengthen the bridge between the past, present, and future of Panimalar Engineering College. Wishing you success, good health, and happiness in all your endeavors.
