

# PANIMALAR ENGINEERING COLLEGE

**An Autonomous Institution**

**[JAISAKTHI EDUCATIONAL TRUST]**

Approved by AICTE | Affiliated to Anna University | Recognized by UGC

**All Eligible UG Programs are Accredited by NBA**

Bangalore Trunk Road, Varadharajapuram, Poonamallee, Chennai- 600 123

## DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

### DESIGN TO DEPLOY -Hands-On

### REPORT

Panimalar Engineering College, Department of CSE, organized a hands-on titled “**Design to Deploy**” under the App Development Club on **28-01-2026** for CSE students. The session, led by **Mr. G. Jegan**, Manager at CTS and an alumnus of the college, provided practical exposure to modern web app development through jQuery, Bootstrap, and live coding demonstrations. The workshop was highly interactive and well received, motivating students to enhance their skills and connect academic concepts with real-world practices. The event was coordinated by **Dr. K. Valarmathi**, Professor, Department of CSE, **Mrs. I. Jaichitra Vasudevan**, In-Charge, **Ms. Narmatha**, In-Charge, along with student coordinators **S. Harinath**, **K. Lallithambika**, **A. Ashwanth**, and **S. Pavithra (III CSE)**.

### Design to Deploy 2.0

### REPORT

Panimalar Engineering College, Department of Computer Science and Engineering, organized a coding contest titled “*Design to Deploy 2.0*” under the App Development Club on **03-03-2026**. The online session was conducted for CSE students by **Mr. G. Jegan**, Manager at CTS and an alumnus of the college to provide a platform for coders of all levels to showcase their programming skills especially in **jQuery for DOM manipulation and event handling** and also encouraging collaboration and knowledge sharing among individuals passionate about coding, app development, and problem solving. A large number of students actively participated in the session. They expressed that the contest was highly engaging, challenging, and motivating, inspiring them to pursue continuous learning in the field of app development.

### HACKFEST: Smart App Summit 2026 (Hackathon)

Panimalar Engineering College, Department of Computer Science and Engineering, organized the “Smart App Summit 2026 – App Development Hackfest” on 24.03.26 in association with IEEE to inspire students to think creatively and develop innovative mobile applications addressing real-world challenges. The event provided a hands-on platform for students to bridge the gap between theoretical knowledge and practical implementation while enhancing their coding, design, and problem-solving skills. It encouraged participants to explore new ideas, experiment with emerging technologies, and develop a startup mindset by transforming concepts into potential business solutions. The hackfest also promoted teamwork, collaboration, and critical thinking in a competitive environment. Students actively participated and showcased their talents, gaining confidence through idea presentation and pitching. The event was successfully coordinated by Dr. K. Valarmathi, Mrs. I. Jaichitra Vasudevan, Ms. Narmatha, along with student coordinators S. Harinath, K. Lallithambika, A. Ashwanth, and S. Pavithra.
