

PANIMALAR ENGINEERING COLLEGE (An Autonomous Institution)

CTS Techathon 3.0 Powered By Cognizant

CTS Techathon 3.0 Powered By Cognizant

PANIMALAR ENGINEERING COLLEGE

(An Autonomous Institution)

Inauguration – 25.09.2025

PANIMALAR ENGINEERING COLLEGE

(An Autonomous Institution)

Validictory – 25.09.2025

PANIMALAR ENGINEERING COLLEGE

(An Autonomous Institution)

OUTCOMES

- **Innovative Solutions Development** – Participants will design and prototype creative, technology-driven solutions addressing real-world problem statements.
- **Enhanced Technical and Problem-Solving Skills** – Students will gain hands-on experience in applying their technical knowledge to practical challenges, improving their coding, analytical, and design thinking skills.
- **Collaboration and Teamwork** – Teams will strengthen their ability to collaborate effectively, communicate ideas, and work under time constraints.
- **Industry Exposure** – Participants will gain exposure to current industry trends, challenges, and expectations through interaction with mentors and evaluators from the corporate sector.
- **Career Opportunities** – The **top two teams** will be offered **internships by Cognizant**, providing valuable professional experience and a pathway to potential employment.
- **Networking and Mentorship** – Students will connect with industry experts, faculty mentors, and peers, creating opportunities for learning and future collaboration.
- **Promotion of Innovation Culture** – The event will foster a culture of innovation and entrepreneurship within the institution, inspiring students to pursue research and start-up ideas.
- **Recognition and Motivation** – Winning teams and participants will receive recognition, boosting their confidence and motivating them for future technical endeavors.
