Academic Year 2019-2020

S.No	Author(s) Name	Title	Conference/Proceeding	Month & Year	DOI / ISBN/Indexing
1.	B Anniprincy, S Mary Rexcy Asha , A Nithya	Proficient Method For Oral Cancer Detection Using Deep Learning	International Conference On Emerging Current Trends In Computing And Expert Technology	March 2020	978-1-64368-202-7 (O)
2.	Karthikeyan B, Somaskandan M , Gopi M	Dynamic Optimization Based Offloading Algorithm (Dooa) In Mobile Cloud Computing	International Conference On Emerging Current Trends In Computing And Expert Technology	March 2020	-
3.	Mrs. M. Sumithra, Seethalakshmi S, Sivashankare M and Sasikala Shiny J	A Unique Extensible Framework Detection And Classification Of Traffic Events Based On Deep Learning Approach	International Conference On Emerging Current Trends In Computing And Expert Technology	March 2020	-
4.	Pinagadi Venkateswararao S. Murugavalli	Character Recognition Operations of a Connectionist Temporal Classification in Neural Network	2nd International Conference on Smart Systems and Inventive Technology, ICSSIT IEEE Explore	November 2019	DOI: 10.1109/ICSSIT46314.2019.8987935 SCOPUS
5.	S.Sharanyaa, Dr. K.Sridharan , B Buvaneswari	Intuitive Pin Entry Method Using Dynamic Color Keypad and Binary Numbers	International Conference On Emerging Current Trends In Computing And Expert Technology	6 th & 7 th March 2020	-

6.	Gunavathie. M.A Dr M. Helda Mercy Ms A.Nithya Ms J Hemavathy	Generalized digital certificate based key agreement for initial ranging in wi-max network	2nd International Conference On Emerging Current Trends In Computing And Expert Technology(COMET) Lecture Notes on Data Engineering and Communications Technologies book series	07 November 2019	https://doi.org/10.1007/978-3-030-32150-5_150 (O)ISBN 978-3-030-32150-5 SCOPUS
